JAPAN DEPORTS GERMAN YOKOHAMA, Japan. - Hermann Wohlers, a German, has been deported from Japan for conduct alleged by the Japanese government to be inimical to the interests of the empire and its allies. According to the Japanese press Wohlers has been trying to cause misunderstandings between Japan, Great Britain and the United States, one of his methods being the writing of disquieting letters to the government at Washington, It is also charged that he was responsible for the recent court-martialing of a young American marine. He is alleged to have induced the marine to tear down the British and Japanese flags which were entwined with the American flag on the occasion of the last Fourth of July celebration at Yokohama. The sailor was sent to

Shanghai for court-martial.
